Conflict Mineral Statement

Conflict Metals or Dodd-Frank Wall Street Reform and Consumer Protection Act in 2010: Section 1502 - Conflict Minerals.

MMB Bearings Co., Inc. is aware of the provisions of Section 1502 relating to conflict minerals of the Dodd –Frank bill and is committed to meet or exceed all obligations required of it with respect to these conflict materials; described as Gold (Au), Tantalum (Ta), Tungsten (W) and Tin (Sn) that are sourced from the Democratic Republic of Congo or adjoining countries from mines controlled by non-governmental military groups.

We are working with its suppliers to ensure no conflict minerals are in any of its products.

We are committed to taking steps to ensure that products we receive from our suppliers are responsibly sourced and manufactured and that all minerals trade with the Democratic Republic of Congo (DRC) promotes positive economic development for the region.

We can confirm that there is no indication that any products distributed by MMB Bearings Co., Inc. that contain conflict minerals.
